

Dear BFPA Program Manufacturer,

At Baby Furniture Plus we are continuously striving to partner with our manufacturers in the industry to drive business and take our association to the next level. With that in mind, last year we developed a very successful "Web Only Catalog" and are offering you the opportunity to be a part of it again this year.

With over 9,000,000 visits to our site last year and the ability to link to all our participating members sites we feel this catalog is an amazing opportunity. Included with the online catalog, each purchased page will be featured as our product of the week on the BFPA web sites home page. We have also added a browse by category tab, along with a browse by brand listing your manufactures name with a direct link to your page. We also link to your website from your page within our catalog.

The costs are \$1200 for each catalog page for one year and if you provide us with an 8.5 x 11 pdf complete and ready to go, there is a \$200 discount!

If you participated with us last year we thank you and ask for your continued participation. If you did not partake with us, please visit www.babyfurnitureplus.com and click on the browse our online catalog now icon to view what a great opportunity this is. We would certainly welcome your involvement.

If you are interested in participating please sign the attached form and fax back to us at 866-593-3620 or email back to beth@babyfurnitureplus.com. Hurry space is limited; we only have 52 pages available!

Then simply send us your completed 8.5 x 11 pdf pages by 10/15/09 and we will do the rest. If you are unable to provide us with a pdf of your ad, you will need to send us a copy of the following:

1. Your Company Logo
2. The images you would like to show-please send in jpeg or tiff format
3. Your verbiage for those images-please send in word or email format

As always we appreciate your participation with Baby Furniture Plus and our member stores. Please contact us with any question you may have.

Please forward your material to:
